SLITTER/MATRIX REMOVER

SMR-100 Slitter/Matrix Remover & Rewinder

Slit, remove waste matrix, and rewind labels easy application

The SMR-100 Slitter / Matrix Remover & Rewinder longitudinally slits full-width, pre-cut label stock, so you can use your label printer's full width and maximize its output. In-house printing and slitting also enables marketing flexibility, and encourages return on investment.

The SMR-100 matrix removal and slitting operations can be performed simultaneously or separately, depending on your needs.
