AFINIA LABEL®

SR100
SLITTER / REWINDER

SR100 Label Slitter/Rewinder

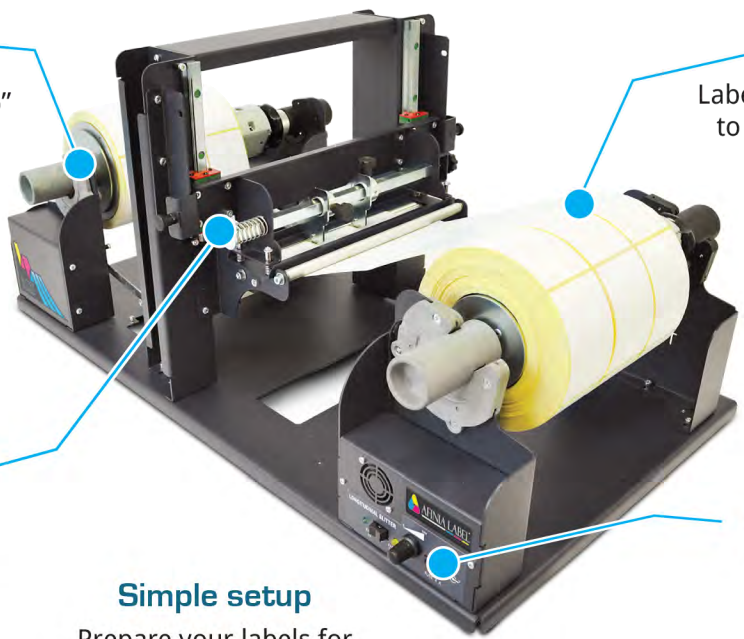
Slit and rewind labels in house for easy application

The SR100 Label Slitter-Rewinder longitudinally slits full-width, pre-cut label stock, enabling you to use your label printer's full width and maximize its output. In-house printing, slitting, and application also enables marketing flexibility, and encourages return on investment.

The SR100 is ideal for applications requiring small labels, such as lip balm, health and beauty products, and e-liquids.

Key Features

- ✓ **Slit labels at up to 197 feet/minute**
- ✓ **Allows for easy label design modifications**
- ✓ **Utilize your printer's full width and maximize output**



Unwinder
For media as wide as 8.86", with a minimum slit width of 0.86"

Rewinder
Labels are carefully rewound to prepare for application

Slitting knives
Easily adjust knives to your preferred label width

Simple setup
Prepare your labels for slitting in seconds

Adjustable speed
Modify slitting speed to fit your needs
